CORROSION INHIBITOR

We've been making
Tap Magic premium cutting
fluids for decades. Isn't it time
we finished the job?

Introducing Tap Magic Corrosion Inhibitor!

You can expect the same great performance
we've always provided for cleaning your
tooling, workpieces, and equipment.

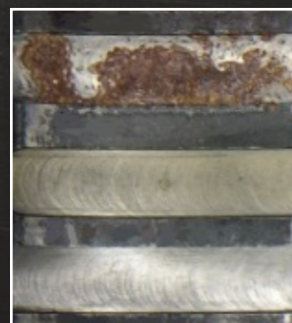

- Non-sticky, non-drying formula
- Prevents corrosion and displaces moisture that can cause rust
- Lubricates metal parts
- Loosens rusted or corroded parts

Part No. 90015CTP - 15 oz. Aerosol
Part No. 90128CTP - 1 gal. bottle

*We stand behind our products, and so will you
once you try them. To hear more about our
products or to place an order for your business, call
us at 1-800-643-8026 or fax us at 501-374-4278.*

TWO MONTH SALT TEST RESULTS ON MACHINED SURFACE

- SEA SALT

- INHIBITOR 'X'

- TAP MAGIC

After using Tap Magic cutting fluid and
Cleaner, this is Step 3 in any machining
operation for providing your customers
with top quality parts.
